

MLB The Show 2017  
Ken Griffey Jr.'s Gaming Journey

**ANNOUNCER:** Ken Griffey Jr. was destined for greatness. No player entered the Big League with more hype than the first pick of the 1987 MLB draft, and no player entered baseball's Hall of Fame with a higher percentage of the votes than "The Kid." Almost twenty years since his last appearance in a baseball video game, Ken Griffey Jr. returns to the digital diamond as the cover athlete of [MLB The Show 17](#).
