

**Prevent Cancer Foundation**

**Think About the Link 2020 HPV Vaccine PSA with Ernie Hudson**

60 second TV PSA Script “Hero Version”

FINAL

Audio	Video
<p>I’m Ernie Hudson. Sometimes I play a hero in the movies and on TV. But what I’m most proud of, is being a hero to my 4 kids. I did that by beating cancer...twice. And as a dad, there’s nothing I wouldn’t do to protect my kids from cancer. (15 secs)</p>	<p>Ernie Hudson on camera</p> <p>Graphics: <b>Ernie Hudson, Actor</b></p> <p>Ernie Hudson on camera, new angle</p>
<p>The human papillomavirus, or HPV, can cause 6 types of cancer. (5 secs)</p>	<p>Graphics:</p> <p><b>Cervical</b></p> <p><b>Vulvar</b></p> <p><b>Vaginal</b></p> <p><b>Penile</b></p> <p><b>Anal</b></p> <p><b>Oropharyngeal</b></p>
<p>That’s why every parent needs to know there’s an HPV <i>vaccine</i>, and it can <i>Stop Cancer Before It Starts</i>. (7 secs)</p>	<p>Graphics change to:</p> <p><b>Stop Cancer Before It Starts</b></p>
<p>Girls <i>and boys</i> should get the vaccine at 11 or 12, and there’s catch-up option for teens and young adults. (7 secs)</p>	<p>Ernie Hudson on camera</p>
<p>Over forty thousand new cases of HPV-related cancer will be diagnosed this year. Together, we can change those numbers. (8 secs)</p>	<p>Ernie Hudson on camera, new angle</p>

<p>Be a hero. Call your child's doctor today and ask about the HPV vaccine. (5 secs)</p>	<p>Graphics: <b>Be a hero.</b></p>
<p>Getting tested for cancer saved my life. Getting your son or daughter vaccinated could save theirs. (11 secs including time for audience to read the graphics)</p>	<p>Ernie on camera</p> <p>Graphics: <b>A message from Prevent Cancer Foundation. Logo. Website URL</b></p>
